This supplement amends the Prospectus as follows:

PROSPECTUS SUMMARY

This supplement replaces in its entirety the second sentence in the first paragraph in the section entitled “Prospectus Summary-Credit Facilities” on page 9 of the Prospectus with the following:

On March 6, 2017, we, together with our wholly owned subsidiaries, HMS Equity Holding, LLC (“HMS Equity Holding”) and HMS Equity Holding II, Inc. (“HMS Equity Holding II”), EverBank Commercial Finance, Inc. (“EverBank”) and other banks as participants (together with EverBank, the “Lenders”), amended and restated the Capital One Credit Facility (as amended and restated, the “EverBank Credit Facility”) to, among other things, (i) extend the maturity date to March 6, 2020 with two, one-year extension options thereafter, subject to Lender approval, (ii) reduce revolver commitments to \$95.0 million, and (iii) assign Capital One’s role as administrative agent to EverBank. The EverBank Credit Facility was subsequently amended on October 19, 2017, increasing revolver commitments to \$120.0 million.

This supplement adds the following to the beginning of the sixth paragraph in the section entitled “Prospectus Summary-Credit Facilities” beginning on page 9 of the Prospectus with the following:

Following the amendment to our EverBank Credit Facility on October 19, 2017, we had \$95.0 million outstanding and \$25.0 available under our EverBank Credit Facility, which we estimated approximate fair value, and subject to certain limitations and the asset coverage restrictions under the 1940 Act.

This supplement replaces the third paragraph of the section entitled "Prospectus Summary-Management and Incentive Fee Waiver" beginning on page 12 of the Prospectus with the following:

We and our Advisers have entered into six conditional income incentive fee waiver agreements (the "2016-2017 Conditional Income Incentive Fee Waiver Agreements") between May 9, 2016 and October 19, 2017, pursuant to which, for the period from January 1, 2016 through September 30, 2017, our Advisers waived the "subordinated incentive fee on income," as such term is defined in the Investment Advisory Agreement, upon the occurrence of any event that, in our Advisers' sole discretion, caused such waiver to be deemed necessary. The 2016-2017 Conditional Income Incentive Fee Waiver Agreements may require us to repay our Advisers for previously waived reimbursement of Expense Support Payments or waived base management fees or incentive fees under certain circumstances. The previously waived fees are potentially subject to repayment by us, if at all, within a period not to exceed three years from the date of the relevant fee waiver. Thus, in any quarter where a surplus exists, that surplus will be available, subject to approval of the board of directors, to reimburse waived fees and Expense Support Payments as follows:

1. First, to reimburse Expense Support Payments, beginning with the earliest year eligible for reimbursement;
and
2. Second, to reimburse all waived fees, beginning with the earliest year eligible for reimbursement.

This supplement replaces the third and fourth sentences of the section entitled "Prospectus Summary-Distribution Reinvestment Plan" on page 15 of the Prospectus with the following:

Your reinvested distributions will purchase shares at the "Reinvestment Purchase Price," which equals (a) the current price that shares are sold in the Offering on such date, minus the sales load if, at the time of the distribution, we are issuing common stock to new investors in connection with the Offering, or (b) at all other times, a price determined by the board of directors, or a committee thereof, that is (i) not less than the NAV per share (determined within forty-eight hours prior to the payment of the distribution) and (ii) not more than 2.5% greater than such NAV per share.

FEES AND EXPENSES

This supplement replaces the seventh sentence of the second paragraph under the Example in the section entitled "Fees and Expenses" beginning on page 16 of the Prospectus with the following:

In addition, while the example assumes reinvestment of all distributions at NAV per share of common stock, a participant in our distribution reinvestment plan will receive that number of shares of our common stock determined by dividing the total dollar amount of the distribution payable to such participant by the Reinvestment Purchase Price.

This supplement replaces the third sentence of footnote (8) of the section entitled "Fees and Expenses" beginning on page 16 of the Prospectus with the following:

The reimbursement of administrative services expenses has been waived through December 31, 2017.
